Cancellation & Refund Policy

All cancellations must be received in writing (email and faxes are acceptable). If a cancellation is made more than 60 days prior to departure and full payment has been received, a refund for the full tour fees minus a \$500 nonrefundable deposit will be made.

For cancellation made within 60 days prior to departure and VeloAsia is able to fill your space, full fees will be refunded minus the \$500 non-refundable deposit per person. If no replacement is found, refund will be subject to our cancellation schedule (below). Trip interruption/cancellation insurance is strongly recommended. Please visit www.insuremytrip.com for recommendations of carriers. In the event of trip cancellation by VeloAsia, a full refund will be issued. I understand the balance of tour fees are due 60 days prior to departure and my space may be cancelled for delayed payment without prior notification.

Unless agreed upon in writing, no refund will be made for unused services or activities on tour, including unused accommodation, meals, transportation, or other services. VeloAsia and its representatives shall not be responsible for any expenses or liability resulting from labor disputes, government restraints, weather conditions, sickness, or any other cause beyond their control.
